**OBILIC 2016 TEAM GOAL**

In 2014 we had 11 participants and raised just over \$2,000.

In 2015 we had 16 participants and raised \$3000

This year our goal is to have a minimum of 30 participants and raise \$5000

We encourage participants to be made up of Players, Coaches, Parents, Partners, Children and even friends that are not linked to the club. This is a family friendly event and all fitness levels are catered for.

### **WHO ARE WE RAISING MONEY FOR & WHY?**

The City2Surf is an event to help raise money for charities of the team's choice. For the past few years Obilic have helped raise \$17,000 for an orphanage in Belgrade called Dom Dragutin Filipovic Jusa. Money raised goes towards food, utilities and general necessities to help maintain cost of running the orphanage, as they receive no funding.

In 2012, during Obilic's Serbia Tour the team went to visit the orphanage and was a very memorable and awarding experience. In the past the orphanage without being asked did present evidence of receipts on what the money went for so we know it is going for the main purpose of the children's interest and benefit.

### **HOW CAN YOU DONATE**

In the past we have asked participants to ask for sponsorship from their family and friends. Even the cost of their next coffee will make a difference. Once you have collected all money raised you can deposit it into the clubs bank account or use the donate here button on the Obilic website [www.obilic.com.au](http://www.obilic.com.au)

Club members that are not looking to participate are also encouraged to try and raise funds.

### **WILL MY CHILD BE SUPERVISIED**

We will have a few nominated supervisors on the day with different fitness levels from walkers to runners.

It is seriously a good day out and hope you can be part of it.
