

Nikola Tesla Unlimited Mind Exhibition to commence in 4 weeks

In four weeks from today, for the very first time, historical and technical exhibits from the famous Nikola Tesla Museum in Belgrade, Serbia, will visit Sydney, featuring free guided tours, virtual reality demonstrations, public talks by the Museum Director, plus a Play about Tesla's life.

The event is being organized by the local Serbian Community in Sydney, with the support of the Michael Crouch Innovation Center (MCIC) at the University of New South Wales (UNSW).

Obilic Basketball club is proud to be a Bronze Sponsor of the Unlimited Mind Exhibition.

The Nikola Tesla Unlimited Mind exhibition will take place at the Michael Crouch Innovation Centre (MCIC), University of NSW between 26 July and 06 August. Tickets are free-of-charge, however, bookings are essential to join a guided tour. The Nikola Tesla Unlimited Mind exhibition will be complemented by the excellent play called Tesla Uncoiled, occurring on 27 & 28 July at the Science Theatre of UNSW. Tickets to the play are \$30 general admission and \$10 for students.

Serbian Ambassador to Australia, and exhibition patron, Mr Miroljub Petrovic said: "The Nikola Tesla Unlimited Mind Exhibition at the Michael Crouch Innovation Center, University of NSW, is one of the most important social and cultural exchange between Australia and Serbia. This is the Serbian Community's chance to showcase our brightest and most significant contributor to Mankind, Nikola Tesla."
